

# FALL 2023 - TROMBONE SEMINAR SCHEDULE

This semester's seminar meetings will place heavy emphasis on solo & section performance. Each student should have opportunities to play in front of their peers, receiving critical feedback. We will also include a bit of group listening, to spend time discussing our thoughts on a variety of pieces. Take your performance seriously and prepare accordingly. Dress for the occasion - and record your performance and peer feedback. We will be in the Band Hall on Fridays from 1:50 - 2:40pm.

Many of you will give a 15-minute presentation introducing prominent trombonists with whom you should be familiar. Prepare on Google Slides - and provide background information, suggested sites or resources for further exploration, major contributions to our field, and a select discography (streaming, etc.) or Publications. Everyone will share their presentation slides as a pdf.
